The Way to a Billionaire's Heart, Parts One and Two

Andrea never intended to fall for her client's billionaire son. She knew that men like him didn't settle down with women like her. But she let herself think that Walker was different.

When she learns that he was still seeing his old girlfriend Celia, Angela heads to Aruba with her best friend-- she'll wash that man right out of her hair in the waters of the Caribbean.

While Andrea tries to forget Walker by giving in to Kiera's insistence that she have an island fling, Walker-- furious at Celia's web of lies-- flies to Aruba to find Andrea, only to have the private investigator tell him that she's out on a date.

But Walker's not a man to give up without a fight.

A Baby for the Billionaire Beach Bum, Parts One and Two

Andrea's best friend Kiera isn't one to let being abandoned in Aruba get her down for long. The cute surfer she met on the beach causes all Kiera's plans to give up one night stands to go right out the window. But once back at her job in D.C., Kiera finds she brought back an unexpected souvenir.

How on earth can she concentrate on the case that could make her career when the man that could make her a mother rolls back into town? Tyler Riordan is a surf gypsy billionaire--could she really expect him to settle down?

Each novella is approximately 24,000 words long.
