## **Handbook of Families and Health: Interdisciplinary Perspectives**

**Handbook of Families and Health: Interdisciplinary Perspectives** presents state-of-the-art summaries of research related to couple, marital, and family influences on health. Editors D. Russell Crane and Elaine S. Marshall, along with a distinguished group of contributors across various disciplines, bring complementary perspectives to a wide range of families and health issues. A major goal of this Handbook is to highlight common issues, concerns, and goals across diverse fields and the benefits of bringing multiple perspectives to these issues. A significant portion of the book is devoted to interventions to improve family health.
