*Friendship is overrated, if you ask her*

She's always just been one of the guys...until she falls in love *with* one of the guys. Except Bailey Sheppard has carried a torch for firefighter Ethan Bishop since high school. And now that his long-term girlfriend has left him brokenhearted, she's free to go after what she's always wanted.

Not that Ethan sees Bailey as anything but a friend. A best friend maybe, but still not a woman he'd be interested in. Pining for his ex has made him blind to the possibility of happiness with anyone else.... But can Ethan resist a woman who knows what she wants?
