It is in this portion where you will learn that the Wiccan religion is not a century old religion. Further, you will also understand that Wicca is not synonymous with witch or witchcraft. Although there are Wiccans who practice witch craft, but there are also those who don't.
- The second chapter deals with more details of the Wicca religion. It talks about its traditions, beliefs, its motto and crede, and even how to become a Wiccan. When it comes to witchcraft, magick, and spells it doesn't mean that they are bad because Wiccans live by the "Harm None" motto.
- And lastly, you will also be initiated into casting spells. You will learn the primary steps for casting spells and even making one. Also included are the best days to cast spells which corresponds to specific purposes, as well as phases of the moon to increase potency of the spell. And most of all, there are three bonus spells included in this book and they are a love spell, money spell, and a healing spell.
