Effective Teaching: Evidence and Practice Daniel Muijs, David Reynolds

This new edition updates the successful 2005 edition with the latest research on effective teaching and learning. Appropriate for primary and secondary education, the authors continue to provide a broad and comprehensive overview of what is now a large body of knowledge on effective teaching. The authors maintain their user-friendly style and the structure which takes in generic teaching skills; teaching for specific goals; subject specific strategies and other classroom issues. Each chapter is built around opening learning objectives.
