Love In The A (Volume 1) Nika Michelle

This is a spin off from the Forbidden Fruit Series. If you have never read the Forbidden Fruit Series, it's okay, you will still be able to follow the story. I've added the last two chapters of Forbidden Fruit 5: The Final Taste to recap the beginning of Zy and Mackie's relationship. Don't be alarmed, Love In The A starts immediately after. Enjoy and thank you for the support. --Nika Michelle Zyon AKA Zy has not only found his estranged father, the legendary street king Diablo Perez, but he also found love in the A when he least expected it. Originally from New York, he moved down south to Atlanta to live with his grandmother after the death of his mother when he was a young boy. When he meets Mackie AKA Baby, he realizes that she is just what he needs to fill the void of his loss and to deal with the ills of the street life. After discovering that his mother's death wasn't due to an accidental house fire and that she was murdered by her ex husband, Italian mobster Caruso, Zy vows to finally kill the man whose life he marked ten years ago. With vengeance on his mind Zy also has to deal with the tug of war between being the leader of the Cues and his new found love. Will he be able to balance the two, or will everything come crashing down around him? Mackie is new to Atlanta and has always tried to please her mother Sylvia. Dealing with her own personal demons, she's not really comfortable with love, especially not with loving a thug. Unable to deny her true feelings for Zy, she tries to accept him for the man that he is. Of course all is not fair in love and war. When memories of a childhood trauma start to haunt her, she realizes that she too needs some type of vindication to move on. After Mackie's wild and crazy best friend Beyanka comes to Atlanta to visit, a chain of events occur that may put Zy and Mackie's attempts at retribution on hold. With new love on the horizon will these two young lovers allow their pasts to define their future, or will they be able to destroy their enemies and still manage to have love in the A? A sexy, fast paced, drama filled, action packed urban love story.
