Patricia and Paula were best friends. When Patricia's folks kicked her out, Paula was happy to let her move in with her and her boyfriend Bill. It didn't take long from Paula to regret her decision as Patricia became pregnant but didn't want to work. Paula wanted to kick her friend out but Bill wouldn't let her. Bill was always taking Patricia's side. After one particularly brutal argument, Paula had enough and left. That was fine with Bill though. He and Patricia immediately started a relationship and he finally got to do what he had been dreaming about. He got to drink her milk as she rode him.
