Pretty Little Liars: Some Other Things That Happened (Kindle Worlds Short Story) (Emily and Paige '64) Joseph Dougherty

Some other things happened on that stormy day in Rosewood, and not all of them happened to Emily and Paige. Emmy winning “Pretty Little Liars” writer-producer-director Joseph Dougherty continues the alternative saga of young love in the early 1960s that began with “The Yellow Sweater” and continued with the 2013 AfterEllen Visibility Award Winning Best Book “The Persistence of Phosphors.” This new chapter records the hours that followed “The Week It Rained.” While Emily and Paige move toward new intimacy, Alison tries to deal with the unexpected passion sparked by a single kiss. And the shy Mona Vanderwaal takes a step out of the shadows, to play an unexpected role in all their lives.
