Who killed John F. Kennedy and Why?: Johnson, Bush, and Nixon kill John F. Kennedy Kevin Quinn Enhanced E-Book Edition includes videos and pictures; President John F. Kennedy tried to Warn us of the Shadow Government. "There is a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot."

In a speech three weeks before he was murdered, John F. Kennedy asked the American people "for their help in this tremendous task of informing and alerting the American people!" For I have complete confidence in the response and dedication of our Citizens whenever they are fully informed." Because he knew that he could not defeat this secrete society of corporate demons on his own. But "I am confident that with your help man will be what he was born to be, Free and Independent."

Kennedy realized as do many American's today that the CIA possessed entirely too much power and was placing our Nation in grave danger acting on their own starting War after War, after War, without the consent or authority of either the President, Congress or the American people.

Kennedy angrily vowed to splinter the CIA into a thousand pieces and scatter them to the winds. "Twice the CIA had flatly refused to carry out the President's orders concerning Vietnam and their planned invasion of Cuba, because the agency disagreed with him." Kennedy "likened" the CIA'S growth to a malignancy, which he was not sure even the White House could control any longer." The agency "represents a tremendous power and total unaccountability to anyone."

Kennedy went on to say that, "If the United States ever experiences an attempt at a coup to overthrow the Government, it will come from the CIA." John F. Kennedy tried to end the Wars and do away with the Federal Reserve "Banksters" that control our government, and a month later they blew his brains out into a thousand pieces and scattered them to the winds.
