Make a difference in school safety and security with these practical, realistic strategies!

This timely resource for new, veteran, and aspiring school administrators offers cost-effective techniques for creating a safe environment for students, staff, and the community. The authors use their experience in education and law enforcement to show how administrators can combine the need for a secure campus with the desire to maintain an open and welcoming school. Educators will find recommendations that can:

- Help prevent or minimize a potential crisis
- Facilitate a stronger, more informed response when needed
- Allow a school to recover and return to normalcy
