A History of the German Baptist Brethren in Europe and America (Classic Reprint) Martin Grove Brumbaugh

Excerpt from A History of the German Baptist Brethren in Europe and America

To write the history of a religious movement, following it through all of its stages of growth, is no ordinary task, though all the data pertaining to the movement be easy of access. But when the material has to be taken from the forest, so to speak, and then reduced to shape, so as to make it an object of beauty, as well as the source of reliable information, the task becomes the more difficult. In quest of the valuable information here for the first time brought together in one volume, the author has been compelled to travel an unbeaten path. For the data the old libraries of Europe and America have been searched. Years have been spent collecting, arranging and simplifying this material so as to place it within the comprehension of the ordinary reader, and now this volume is given to the public in a form that must commend itself to the judgment of every student of modern church history.

Though made up of facts relating wholly to the experiences and incidents of past generations, its style is such as to render it as interesting and fascinating as a romance. This feature of the book we think will be pleasing to all classes of readers.

Concerning the competency of Brother Brumbaugh to produce a volume of such rare qualities, one has only to glance at his busy life.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
