Adventures of Chatterer the Red Squirrel Children's Audiobook Cd Set, The Thornton W. Burgess 2 Audio CDs - 2 hours. The Adventures of Chatterer the Red Squirrel is another volume in the favorite children's series by the conservationist, Thornton W. Burgess. Chatterer the Red Squirrel finds himself in trouble again and is forced to abandon his old home. As the search for a new home begins, Chatterer's curiosity gets the better of him and a moment of carelessness causes him to stumble into a far different home than he ever imagined. This book is Thornton W. Burgess at his best as he captures the personalities and behaviors of the animals in the Green Forest delightfully well and tells a story of mischievousness and unexpected friendship. Our CDs are packaged in premium DVD cases with CD labeling printed right on the CD in full color. We do not use paper stick-on labels, these tend to peel off over time and can really jam up car CD players and computers. We chose to use DVD cases for our CD sets, as we have found they hold up better in shipping and in regular usage than the typical CD jewel case. Please note: All recordings we offer on CD are produced with recordings from Librivox, public domain works recorded by volunteers. We at St. Clare Audio would like to thank the volunteers for their gift of offering their work to the public domain. St. Clare Audio's niche is providing them in ready-to-purchase CD sets, for those who cannot download, or have not the desire or time to do so, as well as the benefit of a nice case and professionally produced CDs. The Adventures of Chatterer the Red Squirrel Children's Audiobook is read by Multiple Readers.
