*What's wrong with a little competition between husband and wife?* My husband Ian is my perfect match. We're both smart, competitive, and ambitious. Maybe a little *too* ambitious because despite being newly married, we both work over seventy hours a week. That leaves us no time for each other, let alone romance. Then a wake-up call hits a little too close to home. Determined to reconnect, Ian and I decide to engage in a friendly competition. Whoever comes up with the best plan to spice things up gets the honor of choosing the destination of our long-overdue honeymoon. A steamy contest with my handsome husband? Sounds like a win-win to me. And believe me, I'm in it to win it. But then again, so is he.

Join Alyssa in author Erika Aytuzi's world where **strong women** meet **hot men** who are **good guys by day and bad boys by night**. Each **standalone steamy romance** is approximately 25,000 words long. They are meant for mature audiences as they contain light BDSM themes, no cheating, HEA endings, and other M/F fun. Stories can be read in any order. **If you like one, you'll like them all!**
