American Destiny: Narrative of a Nation, Concise Edition, Combined Volume (Second printing) (3rd Edition) Mark C. Carnes, John A. Garraty

With the political history of the nation as its organizational framework, *American Destiny: Narrative of a Nation* describes the development and growth of the United States as the product of the myriad actions, ideas, and forces of the immense variety of individuals and groups who together comprise the American people.

In richly detailed prose, the book examines the political, social, economic, and cultural developments that have shaped this country. This elegantly written, concise text offers a lower-price alternative to traditional U.S. history survey textbooks, while maintaining the efficacy of a full four-color map and image program.
