History of the Middle Ages: 300-1500 James Westfall Thompson

First published in 1931, this book covers the broad period of time between the Christian Roman Empire instituted in the fourth century and the period of the Renaissance. The author traces the main events of medieval history ? striking a balance between political, institutional, social and cultural history ? with no event of major importance escaping recognition. In addition to covering medieval Europe in detail, it also includes sections on the Byzantine Empire and the foundation of Islam. Many maps are also included to geographically illustrate key points. This book will be of interest to students of history.
