Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books! Spring Will Come is the third book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a world-wide best-seller. Thank you!

Book Description: As her beloved city of Richmond is transformed into a deadly Civil War battlefield, spirited Carrie Cromwell puts her medical skills to work in a Confederate hospital. While she fights to save unknown soldiers, the one she cares about the most is lost to her when Robert disappears in battle. She must also deal with a family secret that has finally come to light.

Meanwhile, Rose and Moses have found freedom at last - only to be separated by war. Can Moses, now a Union spy, elude those who are searching for him as a runaway slave, and also help those he thought he would never see again? Rose, inspired by a revolutionary young speaker, becomes a teacher in the contraband camps.

The third book of The Bregdan Chronicles historical fiction series will pull you in and never let you go. You'll experience the Civil War era (and all the years to come) through the eyes of both White and Black, free& slave, Southern & Northern - and you'll fall in love with every character.

How many books will be in the Bregdan Chronicles? You'll have to ask God about that...I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time!

Review: This review is actually for all six books in the Bregdan Chronicles written by Ginny Dye. I smiled, I cried, I hoped along with everyone. This was a series I was glad to be reading on Kindle because I could easily pull a map, or research one of the locations, or Chimborazo Hospital where Janie and Carrie gave their time. The books are a perfect blend of history, and the representation of what the people of that time may have suffered and lived through. I just finished number 6 and will not comment in case someone hasn't read it. What I will say is "Glimmer of Change"#7 are you ready to be read, or still in process? Thank you for sharing your gift with us.

Review: I have finished book 3 and can hardly wait to start book 4! the characters are so real, the historical events are so captivating, the moral values and reality of what happened to our country during the civil war - make for excellent reading. This is historical fiction at its best - a 5 star book!
