Astrophysicist Meredith Burke's professional life is perfect. Her personal life is another story. Years ago, a ménage with the man she loved and his roommate left her with a broken heart and a secret. She hasn't trusted anyone since, but when she meets rugged hunting guide Charlie Connor she figures she doesn't need to. He's got "one-night stand" written all over him.

After one night with Meredith, Charlie needs more. She's intoxicating, and shockingly willing to give him total control of her body. When she agrees to spend an entire week with him at the lodge where he works, it's more than he'd hoped for. But Blaine Bridges, Charlie's best friend and boss, has his own secrets.

Blaine hasn't seen Meredith since that disastrous encounter eight years ago, but he still has feelings for her. Now she's dating his best friend, the man he wants for himself. When Meredith invites him to join in their naughty play, his pleasure is all-consuming. But will the secrets they all hold close destroy a beautiful beginning or bring these three lovers closer than they ever imagined?
