## **The Iron Heel (Penguin Classics)** Jack London

Part science fiction, part dystopian fantasy, part radical socialist tract, Jack London's **The Iron Heel** offers a grim depiction of warfare between the classes in America and around the globe. Originally published nearly a hundred years ago, it anticipated many features of the past century, including the rise of fascism, the emergence of domestic terrorism, and the growth of centralized government surveillance and authority. What begins as a war of words ends in scenes of harrowing violence as the state oligarchy, known as "the Iron Heel," moves to crush all opposition to its power.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

### From reader reviews:

#### Paul Hinojosa:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by reading books. It is a good choice to suit your needs but the problems coming to you is you don't know what one you should start with. This The Iron Heel (Penguin Classics) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

#### Michael Auten:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try factor that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Iron Heel (Penguin Classics), you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't get it, oh come on its known as reading friends.

#### Jacqueline Gore:

This The Iron Heel (Penguin Classics) is great guide for you because the content which is full of information for you who else always deal with world and have to make decision every minute. That book reveal it info accurately using great organize word or we can say no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having The Iron Heel (Penguin Classics) in your hand like getting the world in your arm, details in it is not ridiculous one particular. We can say that no publication that offer you world with ten or fifteen tiny right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. hectic do you still doubt that?

#### Vincent Peck:

Many people spending their period by playing outside along with friends, fun activity using family or just watching TV all day long. You can have new activity to enjoy your whole day by examining a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smart phone. Like The Iron Heel (Penguin Classics) which is finding the e-book version. So , try out this book? Let's see.
