## Handbook of Management Accounting Research, Vol. 3

Volume one sets the context for all three volumes in the series. Volume two provides insights into research on different management accounting practices. This third and final volume features contributions from some of the most influential researchers in various areas of management accounting research, consolidates the content of volumes one and two, and concludes with examples of management accounting research from around the world.

\* Includes key topics such as performance measurement, balanced scorecard, incentives and compensation schemes.

\* Covers management accounting research on a global scale.
