# **Lesbian Cowboys: Erotic Adventures**

Fifteen writers share their take on the phenomenon of Cowboys — a calling, a vocation, and a status that has nothing to do with gender. Whether in the old west or the Australian outback, New England or the Great Plains, these girls and their horses work hard, play hard, and love hard. Contributors Radclyffe and Jove Bell depict the rough and tumble world of female rodeo riders, while Cheyenne Blue explores cattle ranching and the new environmentalism, and Delilah Devlin writes about a "Hired Hand" who may be a woman, but is more than a match for any man. Sexy, steamy, and crackling with the energy of a wild filly, these stories represent the cutting edge of lesbian cowboy fiction.
