**#1 *New York Times* bestselling author Iris Johansen gives readers plenty of heat in a sultry tale of love and betrayal in the hot desert sun.**

Four years ago, after Cory Brandel's passionate affair with Sheikh Damon El Karim ended, she gave birth to his son—and kept it secret from him. When Damon finds out the truth, he kidnaps the boy and takes him across the world to his desert kingdom, knowing Cory will follow.

Damon vows to punish Cory for depriving him of his son and heir, but does he really mean to imprison her in his palace until she surrenders to him? It is savage, unthinkable—but because she is fighting for her son, Cory has no choice. Time seems to have deepened the alarming heat of her attraction to this desert pirate, and Cory knows he has only to stoke her body and she will go up in flames. In rage, Damon had intended to bind Cory to him by force, but instead he is bewildered by his need for her touch. Until now, Cory never understood Damon's loneliness, but is she strong enough to give him the enduring love that he needs?
