From the author of **MAN OF MY DREAMS**.

Noah and Willow know not to mix business with pleasure. They've both been burned in the past, he thinks she's too young, and she definitely shouldn't hook up with her boss. So, they don't. Instead, they build a friendship, while fighting an obvious attraction.

But when Noah's called back East after a natural disaster that threatens his home and the loved ones he left behind, he's forced to face his past with Willow by his side.

Will their turbulent pasts hold them back from giving into fate? Or will the two of them realize that they've been each other's calm before the storm?

**AFTER THE STORM** is a contemporary romance. This is a companion novel to *Man of My Dreams* but can be enjoyed as a standalone.
