Culture and Inflation in Weimar Germany (Weimar and Now: German Cultural Criticism)

Bernd Widdig

Culture and Inflation in Weimar Germany (Weimar and Now: German Cultural Criticism) Bernd Widdig

For many Germans the hyperinflation of 1922 to 1923 was one of the most decisive experiences of the twentieth century. In his original and authoritative study, Bernd Widdig investigates the effects of that inflation on German culture during the Weimar Republic. He argues that inflation, with its dynamics of massification, devaluation, and the rapid circulation of money, is an integral part of modern culture and intensifies and condenses the experience of modernity in a traumatic way.
