Near the edge of Jonah Whitfield's small farming village lies the Deathlands – a strange desert in the middle of a lush, green landscape.

It is strictly forbidden.

Jonah often lingers at the border of the Deathlands out of curiosity, hunting wild game where no one else feels safe. When he follows a wounded deer into the desolate expanse, he stumbles upon a hatch to a futuristic underground society.

After setting eyes on a beautiful girl whose only wish is to see the surface, Jonah is determined to free her from a prison made of comfort and lies. Can he rescue her, or will he find himself trapped mere miles away from the life he has taken for granted?
