Violence Against Women: An International Perspective Holly Johnson, Natalia Ollus, Sami Nevala

This is an international, comparative survey which interviews random samples of women about their experiences with male violence. The authors form a management team for the International Violence Against Women Survey (IVAWS). The primary objective of IVAWS is to investigate the level and nature of victimization of women in a number of countries worldwide. This work builds on the international network and experience of the European Institute of Crime Prevention and Control (HUENI).
