## The Cambridge Guide to American Theatre

This comprehensive guide provides coverage on American theater from its earliest history to the present, with special attention given to contemporary theater throughout the United States. The entries are arranged alphabetically and provide information on mainstream topics, marginalized and alternative theater, popular forms of theater (including the circus, vaudeville, burlesque, etc.) and key plays in the annals of American theater. Over eighty experts on American theater contributed entries to the guide. In addition to some 2,300 brief entries on people, venues, plays, and other theatrical phenomena, almost 100 topical entries are provided, covering theater in major US cities, essays on such disparate subjects as Asian-American theater, theater architecture, female and male impersonation, magic, costume, Shakespeare on the American stage, unions, Hispanic theater, lighting, dramatic theory, and much more. For further reading, approximately 1,000 additional sources are suggested in the text and in a supplemental bibliography. A special feature is a biographical index of more than 3,000 names mentioned in entries, providing dates and major occupations, and cross-listings are indicated throughout the guide.

### From reader reviews:

#### **Tim Travers:**

As people who live in the particular modest era should be update about what going on or facts even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This The Cambridge Guide to American Theatre is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

#### **Timothy Brown:**

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write to their book. One of them is this The Cambridge Guide to American Theatre.

#### **Laura Dupont:**

You could spend your free time to read this book this guide. This The Cambridge Guide to American Theatre is simple to deliver you can read it in the park, in the beach, train as well as soon. If you did not have much space to bring typically the printed book, you can buy the particular e-book. It is make you better to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

#### **Martha Fincher:**

Many people spending their time period by playing outside together with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading a book. Ugh, do you think reading a book can really hard because you have to accept the book everywhere? It ok you can have the e-book, getting everywhere you want in your Touch screen phone. Like The Cambridge Guide to American Theatre which is having the e-book version. So , try out this book? Let's notice.
