**The Four Gospels (Commentary on the Holy Scriptures of the)** Archbishop Averky (Taushev)

Writing in the tradition of biblical exegetes, such as St John Chrysostom and Blessed Theophylact of Bulgaria, the work of Archbishop Averky (Taushev) provides a commentary that is firmly grounded in the teaching of the Church, manifested in its liturgical hymnography and the works of the Holy Fathers. Analyzing all four Gospels chronologically and simultaneously, he allows readers to see the life of Christ as an unfolding narrative in accessible, direct language. Using the best of prerevolutionary Russian sources, these writings also remained abreast of developments in Western biblical scholarship, engaging with it directly and honestly. He approaches the Gospels first and foremost not as a literary work of antiquity, but as the revelation of Jesus Christ as God in the flesh. Archbishop Averky's commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim. This present volume is the first translation of these texts into English and it is an indispensable addition to the library of every student of the Gospels.
